For your chance to win¹ an all-new Subaru BRZ or one of the other great prizes, simply boost your genuine Subaru parts sales. Collision customers just need to spend \$1,500 or more (ex-GST) on genuine Subaru collision parts from a participating authorised Subaru wholesale parts dealer. Every \$1,500 spent on genuine Subaru parts equals one entry, so long as you meet your minimum spend of \$7,500 (ex-GST) over the promotional period.

You will be automatically entered into the draw when you reach your

eligible spend. Remember, the more you spend, the more entries you receive, so stock up now! Genuine Subaru parts are built to exacting manufacturer's specifications, protected by a factory backed warranty² and designed to fit right, first time, every time.

The car that spawned a cult of loyal followers has been reimagined, reengineered and redesigned – both inside and out – and the Subaru BRZ delivers more adrenaline pumping moments and powerful new tech. Emboldened with Subaru's motor racing DNA, the Subaru BRZ is built in the classic rear-wheel drive sports car layout to guarantee an exhilarating ride. With an epic new Boxer engine to get your pulse racing, push start and you'll instantly feel the improved power, torque, acceleration and better all-round handling.

Honed to perform, this iconic model delivers a raw, analogue sports car performance. The sports coupe you "have to have" is built for a drive that's never dull. With its impeccable heritage, this rear-drive sports car boasts enhanced driving dynamics, more grunt and power to burn.

Recognised by the satisfying growl of the all-new 2.4 litre Boxer engine under the bonnet, Subaru BRZ is the real deal. Exhilarating power is matched by a level of driver control which aligns with Subaru's commitment to safety, Towards Zero³ vision and advancements in collision performance.

Those who take their driving seriously will love the precision performance of the ultra-low centre of gravity and improved power-to-weight ratio. Redesigned with a chassis boasting increased rigidity balanced at a high level, Subaru BRZ's

retuned suspension makes for superb agility. Add 18" alloy wheels, with Michelin Pilot Sport 4 tyres, and you have the ultimate in driving control and safety.

The all-new Subaru BRZ comes with an integrated infotainment system with 8" touchscreen, Apple CarPlay and Android Auto connectivity, digital radio (DAB+), satellite navigation, smart key and push-start ignition, reverse camera, cruise control and Subaru's Vision

Assist including: blind spot monitor (BSM), lane change assist (LCA) and rear cross traffic alert (RCTA).

The plush interior includes dual zone climate control air-conditioning, leather steering wheel and gear shift and cloth sports bucket front seats, while the exterior has self-levelling LED headlights (dusk-sensing), LED daytime running lights (DRL) and body coloured door mirrors.

In addition to the major prize of the all-new Subaru BRZ, four winners

will be drawn to receive a \$5,000 Accor Hotels Gift Card each, and every month for six months, four regional winners will be drawn to win a Limited-Edition Subaru STI Watch valued at \$1,000 (RRP).
